

CURRICULUM VITAE

Name: PHATTHANAPHONG THERDTATHA

Position: Lecturer

Affiliation: Division of Biotechnology, School of Agro-Industry, Faculty of Agro-Industry,
Chiang Mai University, Thailand

Email: phatthanaphong.th@cmu.ac.th, vo_21851@hotmail.com

Phone: (+66)539-48217

EDUCATION

2021: Doctor of Philosophy in Agricultural Science (Innovative Science and Technology for Bio-Industry), Kyushu University, Fukuoka, Japan; thesis entitled “Study on gut microbiome and metabolome of Indonesian people in relation to dietary habits and metabolic diseases”

2016: Master of Science in Biotechnology, Kasetsart University, Bangkok, Thailand; thesis entitled “Characterization of Antimicrobial Substance from *Lactobacillus salivarius* KL-D4 and Its Application as Biopreservative”

2009: Bachelor of Science in Fermentation Technology, King Mongkut's Institute of Technology Ladkrabang, Bangkok, Thailand

FIELDS OF EXPERTISE

Gut microbiome, Gut metabolome, Gut health, Applied microbiology

EXPERIENCES

2017: Laboratory manager at GIB-Advanced Research and Development Center, Thailand Science Park, Pathum Tani, Thailand

2014: Assistant researcher at Specialized Research Unit: Prebiotics and Probiotics for Health, Department of Biotechnology, Faculty of Agro-Industry, Kasetsart University, Bangkok, Thailand

2012: Research trainee at Laboratory of Food Biotechnology, Department of Food and Health Sciences, Faculty of Environmental and Symbiotic Sciences, Prefectural

University of Kumamoto, Kumamoto, Japan

SCHOLARSHIPS

2017 – 2020: Japanese government scholarship (Monbukagakusho: MEXT)

2009 – 2011: National Research University scholarship (NRU), Kasetsart University, Thailand

GRANTS

1. **Research fellow**, Fiscal 2023 Japan Student Service Organization (JASSO) Follow-up Research Fellowship (Researcher ID: 2325), budget: 990,000 Yen, topic: “Comparative research on gut microbiota between Thai and Japanese people”, 2023
2. **Principal investigator**, The Murata Science Foundation 2023 (Grant no. 23TC09), budget: 800,000 Yen, topic: “Investigation on whole-genome sequencing and metabolomic profile of *Lactiplantibacillus plantarum* CMUB-N14: a probiotic for metabolic syndrome Management”, 2023-2024
3. **Principal investigator**, Young researcher grant, Chiang Mai University, budget: 100,000 Baht, topic: “Screening and characterization of Lactobacilli probiotics from fermented foods for obesity management”, 2022-2023
4. **Principal investigator**, Young researcher grant, Faculty of Agro-Industry, Chiang Mai University, budget: 70,000 Baht, topic: “Study of resistant starch properties from cultivated banana for CMUB probiotic encapsulation in yogurt”, 2022-2023

JOURNAL REVIEWER

1. Frontiers in Nutrition, 2021-current
2. Chiang Mai Journal of Science, 2023-current
